

CONTRACTOR REGISTRATION LIST

Violation Penalties Description:

(i) First violation: Contractor shall meet with the Manager to discuss the violation and shall receive a written warning in the Contractor Registry.

(ii) Second violation in any 12-month period: Contractor shall pay a \$1,000 administrative penalty and shall be immediately suspended from receiving a permit or performing any work on District Property until thirty (30) days from the later of (x) the discovery of the violation by the District, or (y) the expiration or finalization of the contractor's latest, currently-issued permit.

(iii) Third violation in any 12-month period: Contractor shall pay a \$2,500 administrative penalty and shall be immediately suspended from receiving a permit or performing any work on District Property until ninety (90) days from the later of (x) the discovery of the violation by the District, or (y) the expiration or finalization of the contractor's latest, currently-issued permit.

(iv) Fourth violation in any 12-month period: Contractor shall be immediately suspended from receiving a permit or performing any work on District Property until one (1) year from the later of (x) the discovery of the violation by the District, or (y) the expiration or finalization of the contractor's latest, currently-issued permit.
