and with the following absent: None.

Also present were the following: Marion W. Russell, General Manager of the District; Woodrow Edwards, Attorney for the District; Berniece E. Meek, Assistant Manager of the District; M. D. Carlock, Attorney for M4rs. J. P. Munn; and Mrs. J. P. Munn, adjoining landowner.

Notice of this meeting and agenda was given, stating the time and place and purpose of said Meeting, all as required by Vernon's Ann. Civ. St., Article 6252-17.

A RESOLUTION was passed, adopted and approved gratefully acknowledging the gift of coffee mugs by Wood County Electric Co-operative, Inc. The Resolution is attached to these Minutes and made a part thereof.

Mr. Carlock and Mrs. Munn discussed with the Board the fact that an error had been made in surveying and that the King's land had extended south into the Munn's north side of their residue, thereby cutting down the amount of their acreage.

WHEREUPON, MOTION was made by K. P. LESTER, and duly seconded by LONDON RAMSAY, to authorize the General Manager and Woodrow Edwards to work

out an agreement for the District to convey to the Munn's, by lease or deed, acreage on the east side of the Munn's residue, to be the same amount which had been erroneously

surveyed on the north side of their residue. The President put the question, and after full discussion and deliberation, all members present voted "AYE". None voted "NO".

Mr. Carlock suggested that a clause be added to the Lease reducing the amount of the rental by the amount of acreage covered by the road. The General Manager recommended to the Board that the clause not be added to the lease.

WHEREUPON, MOTION was made by A. J. LAWS, and duly seconded by LANDON RAMSAY, to accept the recommendation of the General Manager that the clause not be added to the lease reducing the amount of the rental by the amount of acreage covered by the road. The President put the question and, after full discussion and deliberation had thereon, all members present voted "AYE". None voted "NO".

Mr. Carlock stated that, since the clause will not be added to the lease, he requested that the Franklin county Water District reduce the amount of rental to be paid by the Munn's each year.

The General Manager recommended to the Bord that Mr. Carlock's request not be accepted.

WHEREUPON, MOTION was made by LANDON RAMSAY, and duly seconded by A. J.
